

ESEVT Status of EAEVE Veterinary Education Establishments

This table lists the EAEVE membership status and the outcome status of the Veterinary Education Establishments (VEEs) after following the European System of Evaluation of Veterinary Training (ESEVT).

EAEVE Membership status:

In line with the EAEVE Statutes (https://www.eaeve.org/fileadmin/downloads/statutes/EAEVE_Statutes_2024.pdf), the Association is composed of Full members, Candidate members and Associates:

Full members are the European (European member states, as defined by the Council of Europe, or Establishments enjoying full membership as of May 2018) Establishments for Higher Education in Veterinary Sciences, which lead to an academic degree, permitting application for a professional status allowing the exercise of veterinary medicine that:

- 1) have completed a Full Visitation by the ESEVT;

Candidate members are the European (European member states, as defined by the Council of Europe or Establishments enjoying full membership as of May 2018) Establishments for Higher Education in Veterinary Sciences, which lead to an academic degree, permitting application for a professional status allowing the exercise of veterinary medicine that:

- 1) have applied for Candidate membership through the Executive Committee after completing an ESEVT Preliminary Visitation (and Consultative Visitation during the transitory period) and have been admitted by the Executive Committee;
- 2) have been reclassified from Full to Candidate membership by the EAEVE General Assembly following the EAEVE Statutes.

Associates are non-European Establishments, as defined by the Council of Europe, for Higher Education in Veterinary Sciences, which lead to an academic degree, permitting application for a professional status allowing the exercise of veterinary medicine that have applied for Associate membership through the Executive Committee after completing an ESEVT Preliminary Visitation (and Consultative Visitation during the transitory period) and have been admitted by the Executive Committee.

Veterinary Education Establishments that are not listed in this table are not members of EAEVE.

ESEVT Status:

In line with the [ESEVT Standard Operating Procedure](#), the decision by ECOVE on the outcome status of the VEEs after following the ESEVT can be one of the following:

-) **Accreditation** - under SOP 2016, SOP 2019 and SOP 2023 - or **Approval** - under SOP 2012 - in case of no Major Deficiency;
-) **Pending Accreditation** - under SOP 2019 as amended in September 2021 and SOP 2023 - in case of 1 or several Major Deficiencies;
-) **Non-Accreditation** – under SOP 2016, SOP 2019 and SOP 2023 – or **Non-Approval** – under SOP 2012 – in case of several Major Deficiencies.
